PROGRAM OVERVIEW

CARNEGIE RESOURCE CENTER

ABOUT PIONEER HUMAN SERVICES

Pioneer Human Services was founded to address serious societal challenges, from the long-lasting trauma of incarceration to institutionalized problems stemming from racism and classism. We have been serving people involved in the legal system in Washington since 1963. By giving justice-involved individuals a place to live, access to behavioral health care and stable employment, we're reducing the deeper social problems that often stem from a lack of opportunity. Moreover, their improved quality of life has a ripple effect that impacts their family, friends, neighbors and the broader community.
