Ride Free to Cold Weather Shelters

Community Transit & Everett Transit provide free rides to cold weather shelters whenever they open due to cold weather conditions.

How it works:

- Riders can use any Community or Everett Transit bus when traveling to a designated cold weather shelter.
- No special pass or ticket is required—just let the driver know you're headed to a cold weather shelter.
- Transit service is available during regular operating hours, when cold weather shelters are open.
- Policy applies to DART and Paratransit trips.
- Policy applies to Community Transit Zip vehicles (within service area)

Cold weather shelters:
