ACEs Quarterly

Adverse Childhood Experiences (ACEs)

Wednesday, July 24, 3-4:30 p.m.

PLEASE JOIN US for a free presentation with guest speaker *Nathan Lachine* discussing the Adverse Childhood Experiences (ACEs) study and identifying all 10 ACEs.

ABOUT THE SPEAKER:

Nathan Lachine is currently a Therapeutic Foster Parent and Community Educator for Coordinated Care, providing trainings and resources for Caregivers in Washington State. He is a community activist for foster parents and youth in care here in Washington State. He is a Board of Director for MaleSurvivor.org, Region 5 1624 Rep, published author, speaker, and trainer on a wide range topics.

"Be the change you want to see in this world." These are the words that have influenced his life the most. In addition to being a foster parent, he administers the largest Facebook group (We Foster Washington) of Potential Caregivers in the state. Nathan and his husband co-founded Evergreen Caregiver Support which provides trainings and resources for Caregivers statewide. Through his various professional roles, he has launched support groups, facilitated countless trainings, spoken to legislators at the Capitol, spoken on podcasts, and participated in interviews on local and state bills.

BRIEF OVERVIEW:

- Discussion of the ACEs study and learn to identify all 10 ACEs.
- Explore the physical and mental long-term effects of childhood adverse experiences.
- Discuss preventative measures, resiliency, and how to address the needs of children with a high ACEs score.
